

# Digital Container Summit 2023

Hamburger Ding – Nobistor 16, 22767 Hamburg

13-14 September 2023

## Reimagine supply chain in the post-covid world

DCS is an annual ultimate networking event for the container logistic industry allowing you to grow your network and make new deals through 1-on-1 meetings, get into informal conversations with potential new partners and benefit from moderated interactive keynotes and panel discussions – all of that right in the heart of Hamburg.

## Attendees from previous years
