Italy 2011

MPL 4th Annual Conference 14th - 18th October

The 4th MPL Annual Conference was a great success!

On the occasion of the 150 years of unification of Italy, MarcoPoloLine Group decided to celebrate its 5th anniversary in Italy, in the heart of the Mediterranean sea: Sicily.

From the 14th to the 18th of October, almost 140 people from 73 companies stayed in a fully booked hotel, just at the foot of the Mount Etna.

The Etna Golf Resort hosted our annual Conference, due to its unique position, its services and of course its Golf green!

On the 14th, golf's fans participated at the MPL Golf Tournament. On a shiny but also rainy day, the 17 MPL

Members have competed and had fun.

Friday night, as most of all participants arrived, the annual Conference officially opened: members registered and took their personal badge. During the welcome cocktail, with choice of wine, beer and other drinks, Robert P. Dreelan, Chairman of MarcoPoloLine Group, gave its personal welcome to all guests and explained with a silly presentation the "hotel rules". The cocktail has been followed by a buffet dinner, with typical Italian and Sicilian food and wine.

On Saturday 15th the Meeting began: Robert P. Dreelan introduced the new 2011 MPL Members and forthcoming plans, followed by the MPL Treasurer Paul Goehlert's and Filippo Cemellaro's of Base speeches. During the coffee/tea break, just when rain stopped falling, we had the Group photo.

After the break, the other speeches by Sam Fishel of Prime, Santiago Elias Julian of Reygraz, Orit Semel of Sigmai and MPL Chairman about Insurance against bad debts.

In the afternoon started the one to one appointments, organized in advance with a special system on the MPL website: through this system, each company had the possibility to take appointment with another company, chosen before, and laying the first step for a new collaboration.

After the works, all the attendees took the bus for Castello di San Marco, an ancient baroque castle in Giardini Naxos, and enjoyed a typical sicilian dinner, entertained by the music and the sympathy of 3 "little crazy" sicilian musicians.

Sunday morning one to one appointments started again till 4 p.m. At the end of works, attendees received the Group photo and the MPL questionnaire.

In the evening everybody ready to leave for Taormina, for a nocturne walking tour through the streets of the ancient city. The weather was quite cold, but hadn't stopped the members to have shopping or a beer in a Sicilian typical tavern.

The dinner took place at La Giara, a restaurant with a marvellous terrace with a view of Taormina and the sea. Here the MPL directors gave the awards and then the disco started!

The day after, very early in the morning, the group left the hotel for the excursion of the Mount Etna, the highest active volcano in Europe. Taking a ropeway and then special off road vehicles, the group arrived at 3.000 mt. It was a unique experience to be at the top of an active volcano, with the snow and at the same time enjoying a magic view of the sea.

After this great experience, MPL organized a farewell party, with food, unlimited drinks and music...

As every year, The MarcoPoloLine Group Conference is an opportunity for the Members to know each others better, make networking and make business.

Expecially this year, with so many participants, we want to say thank you, to all of you!
