MPL CONFERENCE - ATHENS 2019

1 HOTEL (5 STAR) 2 DAYS 3 NIGHTS 114 COMPANIES 204 DELEGATES 1596 ONE TO ONE APPOINTMENTS

MarcoPoloLine Newsletter

These are the statistics for the 12th Annual Conference in Athens this year. I am sure you agree these are impressive numbers for the biggest ever MarcoPoloLine conference.

"The Conference has been great for me" "Very friendly base network. Amazing after work time"

"Excellent Organisation"

"More Robin, More Robin"

These are just a few of the comments we received in the feedback questionnaires after the conference this year.

For 2019 we enlisted the help of our member ACE Logistics in Athens to help with selection of the hotel, the organisation of the evenings, the meals and parties. This is a herculean task which was taken on by Panagiota. Nothing was too much trouble and every assistance was given with dedication, professionalism and a big, big smile. Thank you, Panagiota for your perfect organisation. Our thanks go to the management of ACE Logistics in Greece for allowing Panagiota to spend so much time on the conference.

Sandy and Sophie also did us very proud. They worked tirelessly with the hotel, restaurants and tour operators to ensure a smooth running event. We cannot stress how big and complex is the job of organising a successful conference. There are so many things to think about and make sure everything is just right. Sandy and Sophie did that to perfection. Thank you, ladies. What can we say about the MPL Rock Band? They were easily the most popular last night act we have ever had. Great music, well played and the huge numbers dancing showed that everyone was having a great time. Thanks to Carlos and Erik from Pro Shipping Mexico for their excellent playing, so many great numbers played with gusto. They really set the party alight. Encore, encore! Thanks also to Carlton "Tres" Blair and his team for the United Cargo Management (UCM), USA sponsorship of the band. A mention here for our excellent Rolling Stone tribute act Mr Anthony Ambrosio from Transmodal USA. Well done Anthony - a man with hidden talents!

Thanks also go to the sponsors of the delegates gifts this year – Shine , Korea; KTL, Turkey; Hugo Express, Finland and Rail and Sail South Africa. The football match was a keenly contested affair with around 20 players taking part. Our thanks go to Cole International, Canada who were the kind sponsors of the football shirts. The result of the match was 6-2 to Orange team. Medals were presented by Panagiota. Enjoy the photos!

And our dear friend and MC Robin. What a great job you did for us again. Thank you for helping to make the 12th Annual Conference such fun and a great success.

The statistics do not tell the story of the new friends being made, old friendships cemented and the business opportunities shared over those two days in September. Whether during the One to One, sharing a beer or at a meal table, the building of personal relationships is priceless.

Lastly we thank you, the members who attended. Each and every one of you played your part in making the 12th Annual Conference such a great event. It's not statistics that make a successful event – it's the PEOPLE. We hope you enjoy the photos in the pages of this newsletter and they bring back some fond memories.

Look forward to see you all next year! *Robert, Paul and Alfons*

3L - LEEMARK LOGISTICS LTD - TAIWAN

Taiwan is an island off the coast of China that has had a complicated political, cultural and economic relationship with Mainland China -- as complicated as the relationship between the UK and the USA but more intense in some respects. Just as the British and Americans can be seen as very similar in terms of language, ethnic background, religion and culture, the Taiwanese and the Chinese share many linguistic, ethnic, historic, religious and cultural aspects but also have some differences.

Economically, Taiwan's economy is ranked as one of the largest and most vibrant in the world. Much of the world's high-tech equipment is designed and in some cases manufactured there. Taiwan's healthcare system is also ranked in the top 5 globally in terms of healthcare and medical results.

Taiwan has something for everyone: stunning natural scenery, rich traditional and modern culture, beautiful beaches, renowned hot springs and delicious food. I could go on, but assume that too much information at once might get overwhelm, and the best is that we invite you to visit us and witness the beauty of our island.

3L-Leemark Logistics as a logistics company in Taiwan with more than 20 years experiences in the market, we can provide extensive local perspectives of Kaohsiung port/Keelung port/ Taichung port for the ocean freight and TPE/KHH for the airfreight that gives unique insights, first-hand knowledge and up to the minute information to ensure we keep customers promises. We're happy to serve our

customers through our 7 offices in both China and Taiwan throughout the Great China Region with an extensive partnership from global network and proven our devotion in providing our customer the great service that meets their competitive advantage including premium moving for domestic and international moves, global mobility and relocations, long-term and short-term storage, inland transportation along with project cargo including yacht and marble/stones transportation, and all kinds of logistics solutions. You can certainly consider us a project driven management group dedicated to providing predictable and reliable Logistics & Transportation solutions in emerging markets and transitional economies.
